

All teams will be headed to the Lincoln Memorial. We have our targets of Penn State, Bucknell, Mansfield, University of Maryland, Coppin State, and George Washington University. We will also be ministering at Teen Challenge Capitol Heights in the D.C. area. We will converge together at the Lincoln Memorial on Saturday, September 21st. The spiritual-war has been raging in this country and we intend on fighting back. We will fight the good fight of faith. We will pray, preach, worship, defend and warn all those who have been injured by lies, religion, or Satan. We will seek to rescue from hell-fire any willing to listen.

Please pray for

our teams, we need soldiers that will help us on the battlefield in prayer. If you are led to give monetarily, please do so. Finances are part of our ammunition. We use the funds for food, shelter and gospel materials.

My fellow soldiers let me encourage you. God is our General, the gates of Hell will not prevail against His church or army. We are being sent knowing that all power in heaven and on earth has been given to Jesus Christ. We have access to the power of God as we are in the heat of battle.

Thank you in advance for the honor of serving alongside you, in Jesus name.

Follow the Cloud in Jesus Name!

We have two more **Follow the Cloud** events coming up this summer. We will be hosting one event at the **Fireman's Gazebo in Spencerport** where Pastor Jon Soza and Minister Randy Biaselli will be speaking.

The second one will be at the **Moose Lodge** for our Annual Crusade Dinner. Spencerport is an affluent community, but they need Jesus as much as anyone else. Please pray as we proclaim in the open air at the Firemen's Exempt Gazebo in June. Our annual dinner at the Moose Lodge always brings a great crowd of believers that get personal revival from the music, testimony, and preaching. It stirs people up to **go and preach the gospel to every creature-Mark 16:15.**

WE ARE SO THANKFUL FOR YOUR PRAYERS AND SUPPORT.
